# Support from the States for election candidates

# Manifesto and website timeline

## 1 - 4 September

Submit text as a Microsoft Word document and pictures to TPA by email and book filming & photography appointment.

## 4 - 8 September

Approve your manifesto template.

## 5 - 8 September

September Filming and photography at Sir Charles Frossard House by appointment only.

## 11 September

Your dedicated page will be available to view on [www.election2020.gg](http://www.election2020.gg). Please check your information.

## 16 September

Your video interview will be added to the website.

# Preparation is key

Prepare your manifesto and choose your manifesto template so that you can submit this information early to TPA.

We have a very tight turn around so we ask that you submit your information as early as possible between 1 - 4 September.

# Candidate interviews

Prepare what you are going to say and practise in advance.

There is a handy guide with filming tips in the 'Information for prospective candidates, Appendix I' on **[www.election2020.gg](http://www.election2020.gg)**

You will only have a 15 minute appointment so please arrive early.

Your video will be a maximum of 3 minutes. So plan what you are going to say.

**The Communications Team** are here to answer questions about the combined manifesto and website.

**Cassandra Fish from Guernsey Post** is also here if any candidates would like to discuss sending out individual manifestos.

# Cybersecurity - brief overview

# IT and Security

You don't need to be an IT expert

You will have a duty to protect the data provided to you

You may have heard of Cyber Security...

There is a threat

But we will support you

You will have specialist IT

Training is available

# IT Support and Training

## Equipment and Software

- Members will be issued with States of Guernsey secure IT devices (laptops) that have additional security measures. Only these devices can be used for States of Guernsey information not personal computers etc.

## Training

- IT Security and Data Protection awareness training will be provided; includes group briefings, on-line training packages and 1-2-1 training as required.

## Support

- Additional or specific security and data protection advice can be provided on a confidential basis by the States of Guernsey Chief Information Officer and his teams.

# Data Protection obligations

# How does data protection apply to elected States Members?

Member of the States  
of Deliberation

Member of the States'  
Committees

Working with members  
of the Community

# How does data protection apply to you as an election candidate?

Acting as a data controller

Registration with the Office of the Data Protection Authority

Accountability for processing

# How must you process personal data?

Lawfulness, fairness  
and transparency

Collection

Retention

Security

# Who can you contact for further data protection advice as an election candidate?

**The Office of the Data Protection Authority.**

COVID-19

# 2020 Election

Dr Nicola Brink

# COVID-19

## How do You catch The virus?

Coronavirus disease (COVID-19) is an infectious disease caused by a newly discovered coronavirus.

The COVID-19 virus spreads primarily through **droplets of saliva or discharge from the nose** when an infected person coughs or sneezes.

The virus **can survive for up to 72 hours** out of the body on surfaces that have been contaminated by infected droplets.

People can pick up the virus by **breathing in the droplets or by touching contaminated surfaces** and then touching their eyes, mouth and face.

# COVID-19 Exit from lockdown: strategic aims

On the 6<sup>th</sup> May 2020 a lockdown exit strategy for the Bailiwick was published, the strategic aims of which are to:

Mitigate and minimise the impact of COVID-19 on the community;

Protect and preserve life;

Minimise the economic, social and environmental impacts; and

Promote the restoration to normality as soon as possible

# COVID-19 Exit was planned over 6 phases

We can move **forwards** and **backwards** along these 6 phases depending on release or adaptive triggers such as:

Stable or decreasing cases of COVID-19 from an unexplained community source

No new clusters that pose a risk of on-going community transmission

Stable or decreasing hospital admissions

Community compliance with public health messages to minimise the risk of COVID-19

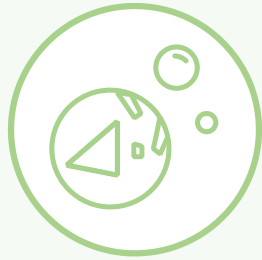

# COVID-19 Phase 5

Wide availability of all recreational activities – including contact team sports

Further expansion of business with bars and nightclubs able to function

Social connectivity – Islanders will now live in a Bailiwick bubble

This phase should see a return to a normal level of business activity

Travel restriction remain in place - anyone returning to the Bailiwick will need to self-isolate

# COVID-19

## Prospective Candidates Phase 5

### Protect yourself

- Stand back from the door after knocking;
- Carry hand sanitiser and use regularly;
- Do not shake hands with any community members;
- Be vigilant for any notices asking prospective candidates not to approach people living in a particular dwelling;
- Maximise the use of written and electronic media resources.

# COVID-19

## Prospective Candidates Phase 5

### Protect members of the public

- Do not canvass if you have any COVID-19 symptoms (self-isolate and contact the helpline to arrange testing);
- Social distancing encouraged;
- Respect an individual's right to not engage in canvassing, we have members of our community who continue to be vulnerable to the SARS-CoV-2 virus;
- Practise good hand and respiratory hygiene;
- Offer the local community multiple channels to engage and connect with you i.e. electronic and written media;
- Visiting Care and Residential homes or supported living housing facilities under review.

COVID-19

# Prospective Candidates Phase 5

## Canvasing etiquette

Hustings can proceed hygienic principles and respiratory etiquette.

Knock and then stand back to respect a person's personal space.

# Questions?
